## Championship Goes To Punahou's Eleven

Oahu College 10, Honolulu High School 0. That was the score of the championship game on Alexander Field Saturday afternoon. Struggle as they would, the High School lads were unable to score against the Punahou men and the coveted championship went to the blue and white.

It was a large crowd, and a very enthusiastic one, that witnessed the game and some able "rooting" was done on both sides. That the High School eleven did not carry off the palm of victory was no fault of the "rooters," for cheer after cheer rent the air after every gain.

With the exception of several successful forward passes by the Oahu men, there was nothing striking shown in the way of new-style football. The game was fairly open and considerable punting was indulged in.

One of the features of the game was a beautiful place kick by Lyman, which rolled Punahou's score up four points.

It was a cracking good game of football that gave to the sturdy players of Oahu College's first team the football championship for 1908 Saturday afternoon. There was no fluke business about it and the Collegians won by conservative, consistent team work.

The largest crowd that has witnessed any football game this season crowded along the side lines of Alexander Field. On the bluff which forms a natural grandstand to the gridiron, there was a long line of automobiles, each gaily decked with colors according to the sympathies of the occupants.

It was at 3:30 o'clock that the ball was placed in the center of the field and the men lined up for the kick-off.

Oahu kicked off, the High School forces taking the ball squarely and starting it up the field. Oahu's line was too strong, however, and, after a few trials, the High School men were forced to punt.

The kick was blocked by Lota and the ball was Punahou's. Then began the work. Steadily the Collegians forced the ball into the High School territory, both Lota and Lyman making good gains. Then, already in the danger zone, the Punahou back and Fraser were sent across the High School line with the pigskin fairly tucked under his arm.

That was the signal for a pandemonium of yells and cheers from the blue-and-white supporters. Before the cheering had died away, Lyman had kicked the goal and the score stood 6-0 for Oahu.

As soon as the ball was kicked off, the old struggle began anew. The Collegians changed their tactics this time and, when within long striking

distance of the High School goal, Lyman kicked a beautiful field goal—a place kick. With a score of 10-0 the Punahou rooters went wild.

Then the High School men got down to work in deadly earnest. Time after time, Rice, the captain, made good gains around Punahou's left, but on each occasion the ball was ultimately held or forced back and High School was forced to punt.

The Punahou men worked the forward pass successfully several times, and the High School tried the experiment. The result was disastrous.

The second half was notable chiefly for the number of penalties that were imposed. The Punahou men, with the game safe already, devoted their efforts entirely to protecting their own goal.

At the beginning of the second, Andrews kicked off for the High School. When the dust had cleared away a Punahou man was seen in back of the College goal line with the ball in his arms. The School men thought it a safety, but it proved otherwise, and the one hope of a score was shattered.

The eleven lined up as follows: Punahou — Chi Bul, lc.; Akina, lt.; Austin, lg.; Hind, c.; Lidgate, Goo On, rg.; Hitchcock, rt.; De Breteville, re.; Lyman (captain), lb.; Fraser, rh.; Lota, f.; Desha, qb. McKinley High School — Achieu, Ingalls, Norton, lc.; Kuhns, lt.; Saffery, lg.; White, c.; Chillingworth, James, rg.; Kellett, rt.; Andrews, re.; McCandless, lb.; Rice (captain), rh.; Kuwamoto, f.; King, qb.

Referee: Hopwood. Umpire: Clark. Field Judge: S. Lowrey. Head Linesman: McKenzie. Linesmen: Marcellino, W. Chillingworth. Time: 25m. halves.

The White Sox waded into the Aalas yesterday afternoon at Aala Park and defeated them to the tune of 9-6. It was the first appearance of the victorious aggregation this season and the players' excellent showing won for them the favor of the fans.

It was a fairly even game most of the way through, with slightly the best of it on the side of the Aalas. The White Sox chalked up eight errors against themselves, while but two disfigured the score of the opposing eleven.

In the ninth inning the Aalas had one run to the good and considered the victory all but won. Then the White Sox got busy and brought the tuning to a close by adding four runs to their end of the 6-5 score. That settled matters then and there.

The white sock part of it had to

## DOWN IN DEFEAT GO YANKEE SCRIBES

BANZAIS OF VICTORIOUS JAPANESE FILL THE AIR

Pencil-pushers of the Land of Uncle Sam Are Ignominiously Worsted by Journalistic Subjects of the Mikado. Heart-rending Tale of Esthetic Ball

If any publisher wants a fine, graphic, two-column description of a baseball victory, already in type, let him call on the Sporting Editor of the Bulletin. The story may be had at a cost little in advance of the bare value of the linotype metal. 'Tis a good story, too; the Sporting Editor knows, because he wrote it.

This is the chance of a lifetime. In English which would thrill the blood of any healthy-minded American, the frightful defeat administered to the impertinent Japanese journalists who thought to challenge the sphere-twirlers of the Bulletin is described.

But there is no use to which the story can be put in the Bulletin office. The Japanese Chronicle team kicked daylight out of the Bulletin and the literary masterpiece is but so much dead weight on the conscience of the writer.

The Sporting Editor of the Bulletin, filled with smug satisfaction at the thought of the whalloping which his team was going to administer to the Japanese pencil-pushers, sat down Saturday night and poured the full flow of his literary genius into a description of the game.

But the Japanese took an unfair advantage; they beat us. 'Tis a humiliating confession to make, but unfortunately the score books will show the true state of affairs up even if the writer tries to hid them beneath a resplendent flow of rhetorical reasoning.

It was a sad day for the Bulletin when they listened to the silver tongue of a prominent Japanese publisher and agreed to play yesterday. The said publisher was very modest; his team would be defeated but he did not care; it was for sport only.

Well, it was sport all right — for the Japanese. Eleven to eight was the final score and the Chronicle men were on the winning end.

The game was preceded by a contest between the nine of the Evening Star and that of the Hawaii Shimpo. The story of the game was the same — only worse — a 13-7 disgrace for the Yankees.

## C. A. C. SENDS TWILIGHTS TO FOOT OF THE LIST
